

Thank you for your interest in establishing a Vendor Portal user id for yourself or someone on your team. Please find the requirements for gaining access to Vendor Portal below. We look forward to working with you.

New users must submit a request for approval for Vendor Portal access by email to their AutoZone Category Manager. The following information is needed:

**Vendor Numbers (POV)**

**New User's Full Name**

**New User's Email Address**

**New User's Phone Number**

**New User's Title**

Once you have your AutoZone Category Manager's approval and the information requested above, please forward this to [vendor.portal@autozone.com](mailto:vendor.portal@autozone.com). Feel free to send questions or concerns to this address as well.

Thank you,  
Vendor Portal Team
